

About Our Company

Welcome to AL BERJAS TRADING COMPANY LLC

We are a leading manufacturer, exporter, and importer of premium fabrics, fabric products, and household items.

Specializing in high-quality printed, dyed, and bleached fabrics, we offer a wide range of made-ups and institutional sheeting. Our products are trusted and supplied to renowned hotels, hospitals, colleges, university hostels, and corporate clients across the globe, earning us a strong reputation in the international market.

Our manufacturing facility is based in Faisalabad, Pakistan—famously known as the hub of textiles. Backed by a team of skilled textile engineers, designers, and quality controllers, we are committed to delivering excellence. Every product undergoes stringent quality checks to meet international standards and exceed customer expectations.

What sets us apart is our ability to combine competitive pricing with uncompromising quality. With extensive experience in the textiles and household goods industry, our ultimate goal is to ensure total customer satisfaction through innovation, reliability, and superior craftsmanship.
